GRIFFITH LABORATORIES CANADA NAMES CHRIS SAVAGE PRESIDENT

Alsip, Illinois —(February 6, 2007) — Griffith Laboratories Worldwide is pleased to announce the promotion of **Mr. Chris Savage** to *President, Griffith Laboratories Canada*.

Griffith Worldwide President & CEO, Hervé de la Vauvre, recently announced Chris Savage's new position to be effective as of January 29, 2007.

As the former President of Griffith Laboratories Central and South America, Savage was praised by de la Vauvre for having been "very successful in leading our Central and South American Region to record levels of financial and business growth."

Savage has extensive experience with Griffith Laboratories, including 11 years at the Canada facility. His experience includes leadership of the Company's International Trade Division, which included responsibility for a large North American sales region and also brief period with R&D Leadership.
