JENNIFER CONVERY NAMED GENERAL MANAGER, GRIFFITH LABORATORIES USA

Alsip, Illinois —(February 6, 2007) — Griffith Laboratories Worldwide recently announced the promotion of ***Ms. Jennifer Convery*** to *General Manager, Griffith Laboratories USA*.

As a 14-year veteran of Griffith Laboratories, Jennifer brings to this position strong leadership skills and managerial experience. She has held sales management positions within Griffith Laboratories, as well as with Johnson & Johnson and General Mills. Her love for and commitment to the food industry has resulted in over 20 years of experience in the field.

In her new position, Jennifer will be responsible for the management of commercial and manufacturing operations of Griffith Laboratories USA.

Griffith Laboratories Worldwide is a global manufacturer of food ingredient blends including seasonings and value-added coating systems, providing a range of taste and texture sensations to food processors, restaurant operators and grocery retailers.

Griffith Laboratories Worldwide corporate offices are headquartered in Alsip, Illinois.

For more information, contact Christine Carr, 708-239-2412 at Griffith Laboratories.
